**Can you help us out? Materials needed to help decorate for this year's Mission to Mars VBS:**

---

**The below items would be transformed, so we are looking for items you do not want back or would otherwise throw away:**

- **Old flat or fitted sheets or old table cloths in colors black, navy blue, silver, yellow or red only**
- **Old broken shop vacs**
- **Round pillar cement forms**
- **Former space related birthday party decorations or old larger toy robots you are discarding**
- **Large PVC pipes**
- **Aluminum duct, rigid or flexible, duct pipes**
- **Clear plastic cylinders**
- **Smaller baby pools, ok if it has a leak or small crack**
- **Large round paper lanterns**

**If you have any of these above and wish to get rid of them for the cause of decorating for VBS, please contact Cyndi McDowall**

---

**The following items we are looking to borrow for the week, they will be returned to you.**

- **strobe lights**
- **disco or planetarium lights**
- **spot lights**
